September 29th 2021: THE FOXWORTH THEORY
Wednesday, September 29, 2021

The Foxworth Theory welcomes Dr. Hassan A. Tetteh, to the show to talk about the world of medicine and how we all have been dealing with Covid-19. For the last year and a half the world has succumb to this pandemic like never before with family and friends passing away like nothing we have heard of in years. Dr. Hassan A. Tetteh, walks us through the the lives of doctors and nurses who have been the front runners of saving lives while risking their own.
