HarlemAmerica . . . A Love Letter to Harlem

Harlem was the launching pad for my media and entertainment career. Three of its legendary businesses put me on the path to Fame, Fortune, and Followers. Harlem's WBLS gave me a voice in the community. Harlem's New York Amsterdam News gave me my first publicity shot with a caption that introduced me to the community. Harlem's World-Famous Apollo Theater put me on the historic stage in front of the community for a week's worth of shows. I started my career as the young emcee for The Temptations and Spinners Show. So, HarlemAmerica™ is my love letter to the Harlem community—the birthplace of so many dreams come true!
