September 27th 2024: Behind the Glass: The Daniel Beaty Story**

Award-winning actor, playwright, and activist Daniel Koa Beaty takes center stage in this gripping episode that explores his extraordinary journey from a child of an incarcerated parent to a renowned figure in American theater and television. Through powerful performances and candid interviews, Beaty reflects on his critically acclaimed plays and TV work, his advocacy for social justice, and the personal and communal healing achieved through his movement, I Dream. With his latest documentary *Behind the Glass*, Beaty sheds light on the harsh realities of mass incarceration's impact on families, offering a raw, empathetic look into a crisis that mirrors his own childhood experiences.
